DEX ARTE®
Luxury Re-defined

The distance from top to the bottom surface of a point plays a crucial role in revealing the aesthetics. The 7 rays of light bouncing through the surface reveals a plethora of effects to the naked human eye. The Depth defines the luminosity & complexity of any matter.

From the house of premium laminate & innovative surface materials. We at dexarte are driven with constant innovation which led to a brand new development of 3mm glas laminate enforced with SRE technology. This material exudes the quality, look & feel of a glass toughened with the durability of an acrylic. Bask in the glory of 11 premium colours to feed your desire of luxury
